Saturday Training

Remember - the dojo is open from 12:00-1:00 on Saturdays for open training. This is a great time to come in and start working on some of the changes that have been coming into our system. There will be some higher belts there if you have any questions. Jr students are welcome to come but please bear in mind that this is a time to train, not a time to play. You are generally on your own so please take it seriously.

Congratulations

To all of you

Provincial Championships

May 9th and 10th, BCIT in Burnaby

If your son/daughter is qualified to compete in the provincial championships on May 9th and 10th in Burnaby please read this carefully.

My present understanding of the schedule is as follows:

Saturday May 9th all the Jrs will compete in kata and kumite
Sunday May 10th all the adults will compete in kata and kumite

We have tentatively booked a number of rooms at the Best Western Coquitlam Inn. This facility is about 15 minutes from BCIT where the tournament will be held. In my opinion it is the best place to stay as it has an indoor pool and hot tub, an attached Pantry Restaurant and is a great place to have children. You will need to stay at least the Friday night to be ready for Saturday morning competition.

If you wish to stay there you must book your room ASAP. Please mention the Shima Karate School and you will get the cheaper rate of \$115 for a room with 2 double beds and \$105 for a room with one queen. The phone number is 1-604-937-1342.

We will have registration forms out over the next couple of weeks.

Gladiator Training

On April 27th, Pro D day Sensei Maximchuk will be holding another Gladiator Training day.

It will be from 9:30 – 12:00 noon and will be for all 8 – 11 year olds.

The cost of the course is \$25. If you were registered in the last course that was canceled you may contact him and get your refund or transfer your credit to this seminar.

His phone# is 390-4268
Please contact him if you have any questions

Private Lessons with Sensei

This is just a reminder that I have started doing private lessons. If you are trying to get ready for a grading or learn your new belt stuff a private lesson may be the way to go.

The lessons are ½ hour and are \$30 per lesson. You will be expected to be here at least 10-15 min early so you can warm yourself up, and plan to stay 10-15 min later so you can practice what we worked on.

If you know you will want more than one lesson they are 4 for \$100.

There are only a few available time slots and they are almost full, so book now.
