### Saturday Training – Through the Summer

Remember - the dojo is open from 12:00-1:00 on Saturdays for open training. We will continue this through the summer as long as attendance holds. Please use this time wisely.

### Summer Schedule

Please note that the summer schedule starts on June 29<sup>th</sup>, 2009

All Samurai classes will continue through the summer at the assigned times. If you will be continuing through the summer please make sure your name is on the list.

If you registered for the 12 month program your monthly fees will continue to come out through the summer, but remember, the difference between a 10 month program and a 12 month program is only \$30 so in essence you are training the whole summer for only \$30.

If you registered for the 10 month program you may upgrade to the 12 month program for only the \$30 difference and continue to train when you can through the summer.

Let Sensei know if you wish to do this.

### IKGA Seminar

On Saturday June 27<sup>th</sup> Sensei Gardecki from the IKGA will be coming in again to do another seminar. It will be from 6:00 – 8:00 on the Saturday evening and is open to all adults' green belt and up. She will be going over more of the new curriculum and kata changes. She will also be touching more on the Yaku Soku Kumite. I would highly recommend that you attend if you are eligible. Please get your name down on the signup list as soon as possible as the class will be limited to 20 students. The cost for the seminar is \$20 and should be paid before the event. Remember if you put your name on the list, be there....
