Shima Lifetime
Black Belt Memberships
for sale

Now that things have settled down we are looking at doing a few renovations to finish the dojo the way we want and set it up for the next 30 years.

Over the next while Shima is going to be selling some lifetime black belt memberships,

They will be a onetime fee of about 3 years training costs if you are a junior or adult,

So if you plan on being here for at least 3 years consider grabbing one, all your training after the 3rd year would be free, you can save thousands.

This membership will cover all training fees in karate and weapons as long as you are with us,

If you are interested please let us know,

Cheers
Sensei
